Companions:

I hope everyone had an enjoyable summer and are ready for the work in the Chapter. I would like to thank all the companions who were concerned about my illness.

It is comforting to realize how many friends we have in this wonderful craft. The doctor said I was ok—right now I have a concerned wife looking after me.

If you have any program questions, suggestions or concerns you can call or use my new e-mail address RASTWO9@aol.com
